

**Privacy**

This Privacy Policy applies to all websites owned or controlled by Inside Pocket Publishing Ltd.

**Children Under 13 Years of Age**

Many of the activities on our websites, such as colouring and exploring, do not involve sharing personal information.

If you are under 13 years of age and wish to enter competitions or send us information for other reasons, you must first get permission from your parent or guardian.

**Personal Information**

If you wish to enter competitions, we will ask you for your name and email address so that we can contact you should you win. At that stage we will request a postal address so that we can deliver your prize.

If you register for information about us, for example, by subscribing to our newsletter, we will ask for your name, address, age and email address so that we can provide the information and administer the newsletter. You may unsubscribe at any time from future mailings by clicking the unsubscribe button at the bottom of each message.

The information collected remains confidential and will not be used for any purpose other than the purpose stated above and internal record keeping.

If you disclose your name, e-mail address or other information on any forums, such disclosures may result in unsolicited messages from other parties. We would urge you not to disclose such personal information to third parties on any of our sites.

**General**

We do not sell, rent or disclose your personal information to third parties for marketing purposes.

We do use cookies on our site. Cookies are small pieces of information that are stored by your browser on your computer's hard drive. Cookies help us to know how many people visit us and where they go on our sites. The information contained in our cookies is anonymous and contains no personally identifying information.

**Contact**

If you have any concerns regarding privacy issues, please write to us at: 30 Oxford Parade, London Road, Cheltenham GL52 6DX or email us: [info@insidepocket.co.uk](mailto:info@insidepocket.co.uk)
