A picture story of a day in the life of a bold and fearless knight who rescues damsels, fights dragons and saves his castle from destruction...

Or rather, a normal day for a little boy with a big imagination.

What does a brave knight do all day but rescue damsels in distress, capture criminals, hunt wild beasts and save his castle from destruction by bad wizards and fearsome dragons?

And what does a little boy do all day but bother his big sister, entertain his little brother, play with the family pet and exhaust his grandparents who have come to dinner?

A brilliant juxtaposition between the vivid imagination of a little boy and the reality around him, beautifully illustrated by Jenny Capon.
